

DRINK FROM THE RIVER

-Timothy Floyd Thornton, Laura Elizabeth Thornton, David Cameron Wilton

D Bm A (in drop d tuning)

you come when I'm weary
you come when I thirst
come and make these dry bones live

you're the one who sees me
shed your blood to heal me
come and make these dry bones live

we drink, drink, drink from the river
we drink drink drink from the river
we drink drink drink from the river
let it wash over me

we sing sing sing of your goodness
we sing sing sing of your goodness
we sing sing sing of your goodness
let it wash over me

improv section **D Bm Em**
